

3306-2-01

Purpose and scope.

Chapter 3306-2 of the Administrative Code establishes minimum best practice standards to be used by health plan sponsors in the selection and implementation of health care plans offered to public school district employees and the rules for the enforcement of health care plan sponsors' compliance with the best practice standards adopted by the school employees health care board. This chapter is applicable to all public school districts within the state of Ohio.
